

EXCELLENT EDDIE
(Tune: MacNamara's Band)
Words by Ciann the Minstrel

My name is Baron Edward, I'm the leader of a band,
Of Creative Anachronists, up north in Aten land,
We do or make most anything that's found beneath the sun,
We throw the most superb events and gen'rally have fun.

Oh, the fighters bash
The cabers crash
Chiurgeons save the day
Recorders blow
The sewers sew
As we the game do play

The output of our brewers' guild is famed throughout the land,
So raise a mug of Sikman's Stout to Baron Edward's band.
